No offer will be made to 8(a) vendors on this invitation.

This invitation is to provide USDA commodities to areas affected by Hurricane Katrina, and to replace commodities previously diverted to those areas. Since there is a great need to deliver to destinations on the gulf coast as soon as possible, delivery timeframes on this invitation will begin immediately. **If you are unable to meet the early delivery periods, do not bid on them.** Inspection issues resulting from the need to deliver product quickly will be handled by Commodity Procurement Branch on a case by case basis. **Please note, it's the vendor's responsibility to have timely deliveries and to deliver good quality and condition of the product.**

Note: Effective August 1, 2005, Contractors are required to submit Annual Representations and Certifications via the Online Representation and Certifications Application (ORCA), a part of Business Partner Network (BPN). The internet address for registering in ORCA is <http://orca.bpn.gov>. The representations and certifications are effective until one year from the date of submission or update to ORCA. A revised abbreviated Appendix 1 dated August 2005 will be required for contractors registering via the ORCA system. A notice to the trade regarding this requirement was issued on June 28, 2005 at <http://www.ams.usda.gov/fv/cp/tradenotices.htm>

However, Contractors who have previously (prior to August 1, 2005) submitted the Appendix 1 for calendar year 2005 will be relieved from the ORCA online registration until the expiration of their Appendix 1.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

All invitations with orders for the state of New York must have the pack date stamped on the outside of each carton. The pack date should be annotated as per the following example: (05/01/2003). Bids must be submitted electronically via the Domestic Electronic Bid Entry System (DEBES) on the Internet. Offerors who submit bids using other than DEBES will be deemed non-responsive.
